DR. HAROLD H. STEPHENSON

President's Message

College education today is a serious concern for all—the layman, the professional educator, and the student. With each passing day the news releases and reports remind us of the grim truth contained in the statement by H. G. Wells that "Civilization is a race between education and catastrophe." I believe world peace and the survival of mankind may depend largely upon the way in which we educate the citizens and leaders of tomorrow. Certainly the need for highly-trained manpower, broadly educated persons, informed citizens, and enlightened leaders is greater than ever before.

We have tried to give you the kind of education that will help you to face the future with hope and courage and that will enable you to make your best contribution to your state, your nation, and the world.

Congratulations and best wishes for continued success!

HAROLD H. STEPHENSON
President

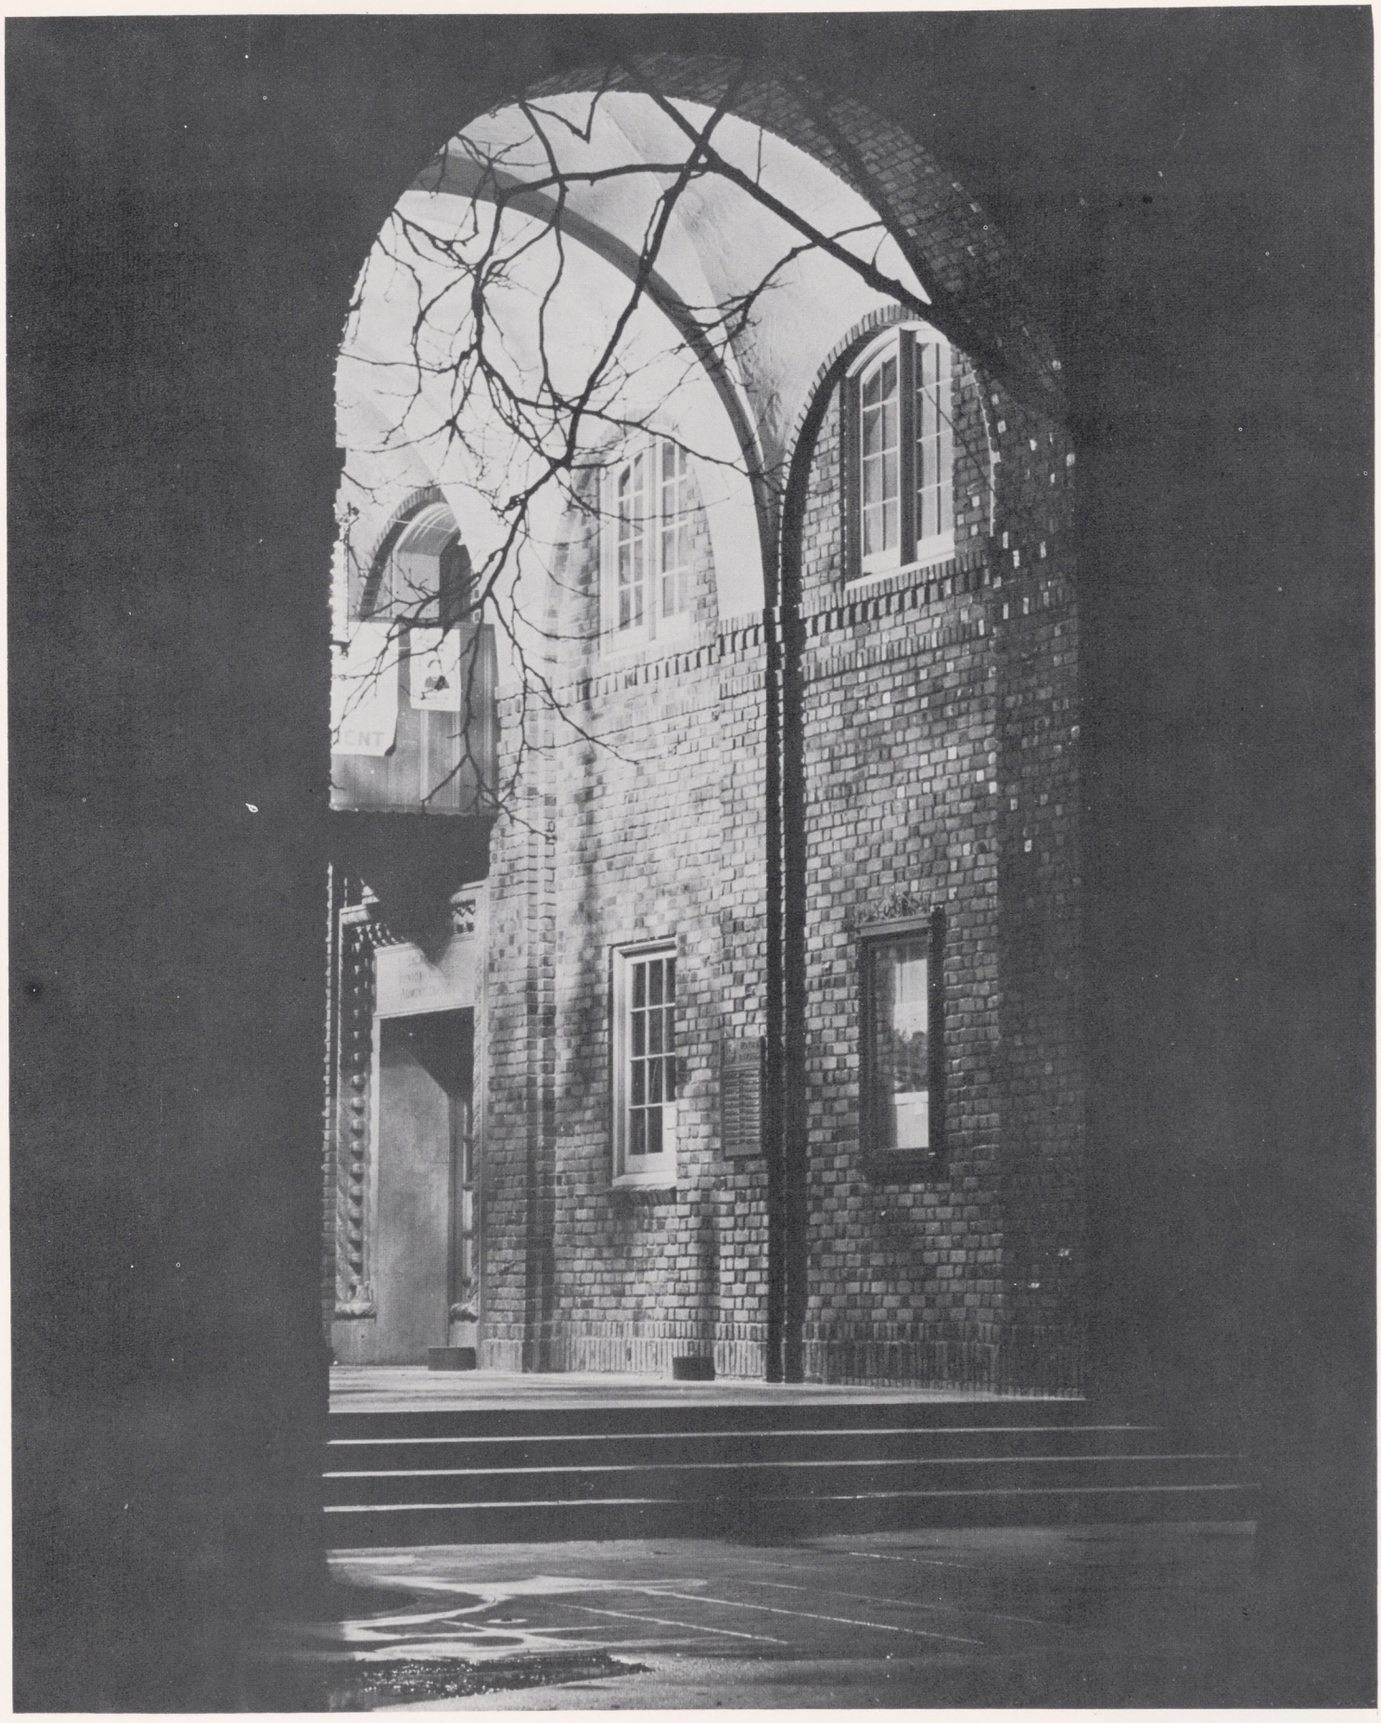
THE MAIN ARCH SOON BECOMES AN IMPORTANT LANDMARK
TO THE CITY COLLEGE STUDENT.



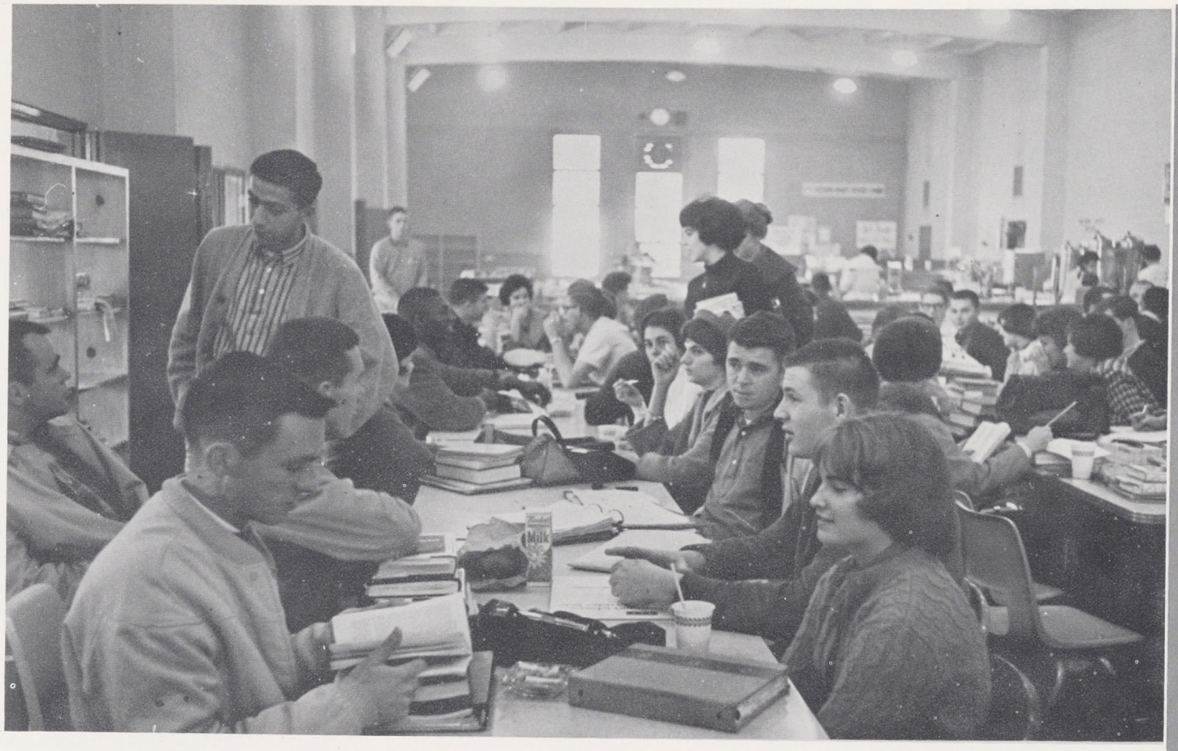
THE ARCH SEEN FROM THE QUAD.

Above: Photography students are photographed photographing a pretty coed.

Left: The City College Auditorium where orientation, rallies, assemblies, productions and graduation are held. Housed in the adjoining wings are the music and art departments. The Little Theater is also located here.

Above: On warm spring and summer days students often forsake their beloved cafeteria to settle on the quad.

Right: When the weather grows colder, the students move back inside the cafeteria to enjoy their coffee and conversation.



ENTRANCE ONLY

Above: The Student Center where the college store is located. The Student Activities Office is also located in this building.

Below: A birdseye view of the main building.

Above: The Cosmetology Building where the secrets of beautiful women are studied.

Right: Art students sketching a favorite and many times drawn subject — the Engineering Building.

Left: Well traveled paths are those which lead to learning; here they lead to the library.

Below: Students in the west wing of the library.

Right: Athletic events, after game dances, and physical education for men and some coed classes are held in the men's gymnasium.

Below: Our Hughes Stadium is the setting for many outdoor athletic events such as football and track.

Plans call for the new Science Wing to be completed in fall of 1962.

HOMECOMING 1961

Left: Rod Graham, Inter-Club Council president, crowns Homecoming Queen Carolyn Randall. Carolyn was sponsored by Newman Club. Below: The Homecoming Queen and her court take a whirl around the dance floor with their escorts. The four princesses were; Marolyn Phillips, Nancy Jerret, Linda Gonzales, and Danya Maier.

SHOWTIME S.C.C.

Below: Floats for the Homecoming Day parade take shape under the willing hands of many City College students in the Women's Building on the State Fair grounds. Newman Club's Wizard of Oz float won the sweepstakes award in the parade. *Right:* The bonfire rally, held behind the Women's Gym, attracted many onlookers and set the pitch for the Homecoming Day activities to come.

Above: Brigadoon was the entry from A Cappella Choir. The float won third prize as well as a special award for workmanship. Second place was captured by Sigma Phi Kappa. The entry from the Medical Science Society won the uniqueness award.
Left: A motorized bed was driven along the parade route by one of the campus clubs.

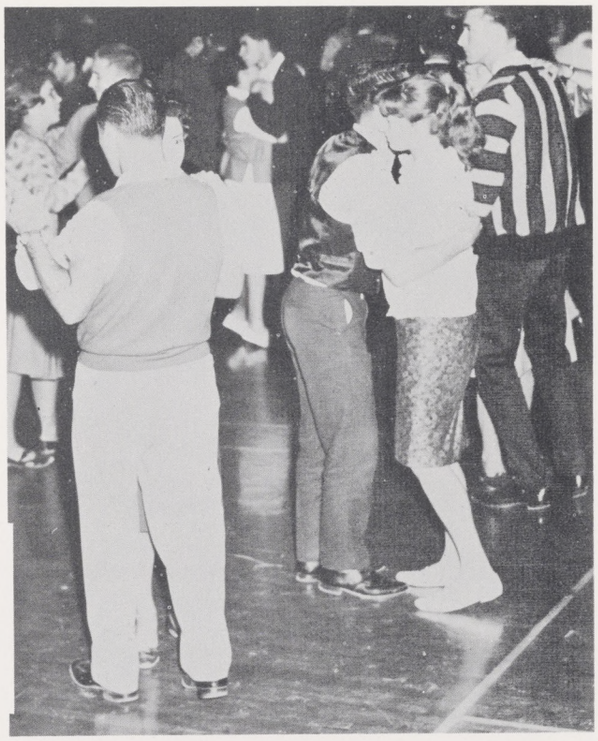
A portion of the Homecoming Parade travels down K Street. There were eleven floats, three cars, sports cars for the yell and song leaders, and convertibles for the royal court in the parade.

Rally committee members work on their extravaganza "Ben- Hur," The annual Home coming parade was a section of the city Veteran's Day Parade this year.

Sue McLean was elected Freshman Queen at Freshman dance. Sue was sponsored by Newman Club. Freshman Princesses were: Mary Lou Cossman, Susie Gamel, Bev Hack, Carol Scruggs, Linda Staener, Judy Thomas and Marion Weatherhead.

FROSH QUEEN

FROSH DANCE

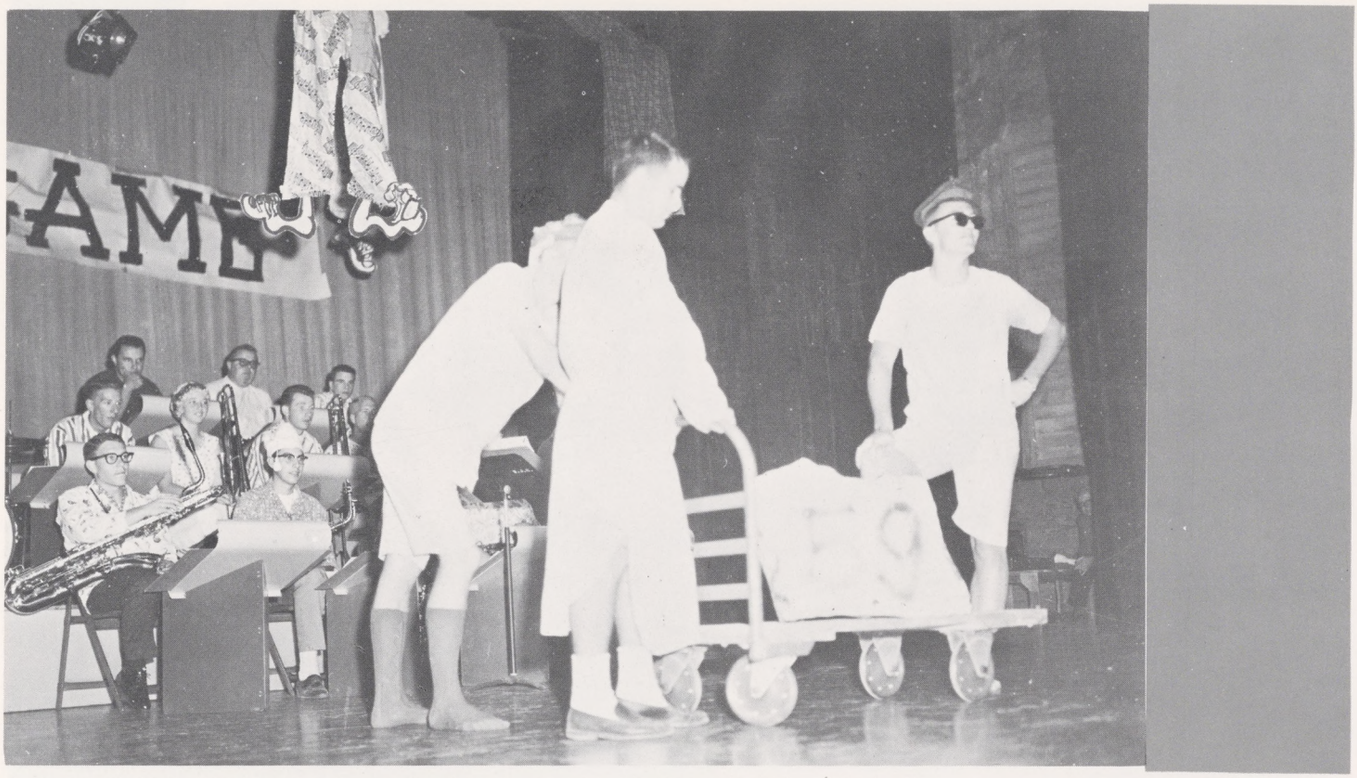


The freshman officers were in charge of the sporty after-game dance. The queen was selected by the men students attending the dance.

One of the biggest after-game dances of the season was the Pajama Game Dance. Students to be properly attired came to the game and dance in their "Zaniest" pajamas. Who knows what the San Mateo rooters thought when they were greeted by banner waving, claw giving, pajama clad rooters!

SOPHOMORE DANCE AND QUEEN

Cathy Pepping was crowned Queen at the Sophomore Dance. Voters were the men students who attended. The queen was sponsored by Newman Club.



Three SCC students (yes they are wearing pajamas) show the rock that five students found on the San Mateo campus.

The dance band provided musical background for rallies.

RALLIES

Campus clubs helped build school spirit with original rally programs. Aero Association brought down the house with its presentation of that famous flier Yuri Gangrene.

AND

Songsters and yell-leaders are an important part of City College rallies. The River Riders were featured at one of the Fall Rallies.

MORE RALLIES

Jeri Sargis, Judy Turley and Barbara Arino lead Panther rooters in a yell. Songsters accompanied by the band give a cheer at the Pajama Game Rally.
